REMARKS

The present response is intended to be fully responsive to all points of rejection raised by the instant Office Action, and is believed to place the application in condition for allowance. Favorable reconsideration and allowance of the application is respectfully requested.

Status of Claims

Claims 1, 3 – 13, and 15 - 25 are pending in the application and are rejected.

CLAIM REJECTIONS

35 U.S.C. § 102 Rejections

Claims 1, 3 – 13, and 15 - 25 have been rejected under 35 U.S.C. §102(a) as being anticipated by “GetRight 4.1 Help Guide” (hereinafter “GetRight”).

Applicant respectfully traverses the rejection, as respectfully asserts that the rejection is moot in view of the declaration under 37 CFR 1.131 filed herewith.

Applicant therefore requests that the rejection of claims 1, 3 – 13, and 15 – 25 under 35 U.S.C. §102(a) be withdrawn.

Declaration Under 37 CFR § 1.131

Applicant submits herewith a Declaration Under 37 CFR 1.131 in which Applicant swears behind the GetRight reference. In the declaration, which corrects defects in an earlier-filed 1.131 declaration, Applicant states that, in accordance with 37 CFR 1.131(b), he conceived the invention prior to the effective date of the GetRight reference, that this conception is evidenced by a showing of fact in the form of a verbal disclosure to the undersigned and a statement by the undersigned to this effect, and that he was diligent from prior to the reference date to the filing date of the present application, also supported by the undersigned’s statement.

Page 3

Applicant's declaration is supported by a supporting statement by the undersigned, having witnessed Applicant's verbal disclosure of the claimed invention prior to the effective date of the GetRight reference. Such supporting statements are no less admissible as evidence in support of a 1.131 declaration than are sketches, blueprints, etc. (see MPEP 715.07, section I., point F).

Conclusion

Applicant respectfully submits that consideration of the above remarks renders the present application in condition for allowance, which action Applicant respectfully solicits.

Petition For Three-Month Extension Of Time Under 37 CFR 1.136(a)

The period for responding to the instant Notice was set to expire on May 14, 2006. Applicant hereby requests that the period for responding to the instant Office Action be extended by three (3) months, so as to expire on August 14, 2006. Accordingly, this response is being timely filed.

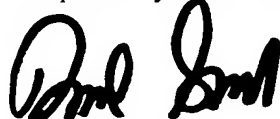

The fee for a Petition for a Three-Month Extension of Time is Five Hundred and Ten Dollars (\$510.00) dollars for a small entity. The United States Patent and Trademark Office is hereby authorized to charge Deposit Account 501380 in the amount of \$510.00 and any additional fee which is necessary in connection with the filing of this amendment and petition.

Favorable action on this response is courteously solicited.
